FACULTY OF BUSINESS AND MANAGEMENT

Occupational Studies: 2024 Fact Sheet

Programme Title	SAQA ID	Credits	NQF
Occupational Certificate - Bookkeeper	98959	364	5

Programme description

Designed with you in mind, this qualification opens doors to exciting opportunities in finance. Dive deep into the world of bookkeeping, mastering essential techniques and tools. From analysing financial data to preparing insightful reports, you'll be equipped to thrive in diverse finance roles.

The Occupational Certificate: Bookkeeper programme is meticulously crafted to address the unique demands within the financial management sector, particularly focusing on proficient bookkeeping practices. Tailored to equip students with the essential skills and knowledge, this qualification serves as a gateway to employment opportunities in various finance-related roles across diverse sectors and industries. Integrating theoretical foundations, practical applications, and hands-on experience, the programme delves into the intricacies of accounting, enabling students to comprehend and effectively utilize financial data. Upon completion, students will adeptly prepare accounting statements, conduct thorough analyses, interpret findings, and articulate insightful reports on an organization's financial performance.

Admission requirements

The minimum entry requirement for this qualification is:

- ▶ NQF level 4 qualification (NSC/Grade 12) with Mathematics.

Mode of study | Duration

Day Classes (full time): 3 Years (5 days/week).

Programme outline

Year 1

- ▶ Accounting Information Systems
- ▶ End User Computing
- ▶ Book Keeping Practice

Year 2

- ▶ Financial Accounting
- ▶ Costing and Management
- ▶ Taxation

Year 3

- ▶ Business Communication
- ▶ Business Calculations, Project Management

Teaching and Learning Methodology

A blended teaching and Learning methodology is followed. All theory classes will be conducted Virtually through Lecturer-led interactive teaching on a national basis. A flipped classroom approach will be followed in some sessions. This means that students are introduced to content at home and practice working through it during the applicable session, either the virtual theory sessions or the practical sessions. All students will be allocated to lecturers that are not necessarily based at the campus of enrollment but who will always be subject matter experts. CTU implements a national academic standard and all lecturers have been appointed on the same criteria and use the same academic content in the teaching and learning process. The adherence to a national academic standard is monitored by the Academic Management team at the Head office. Therefore, all students will continue to receive the same quality of education. Students will attend some practical, group, and research sessions on campus or virtually. The same work and time will be spent on both methods, face to face and VLIT, with students. Extra practical sessions can be booked with the Campus Operational Manager. Students will be expected to attend the practical, group, and research classes on campus a minimum of two days a week, as per the campus schedule.

Textbooks and e-guides

A list of prescribed textbooks will be provided in your e-guides. Students will receive an electronic version of the academic guides (e-guides) for this programme on the Teaching and Learning platform. Access is available to an electronic library of textbooks on O'Reilly, and it is included in the fees. Refer to the [Device Specifications and Stationery List](#) document for more information.

Technology hardware, software and data requirements

Because CTU is embracing the future of education - education beyond the classroom - it is compulsory for students to have their own laptop with the necessary specifications to speed up their journey to success.

Student Support

Student support sessions with the facilitator will also take place on a one-on-one basis either virtually or physically at the campus per appointment or per the academic schedule.

Certification

On successful completion and verification by the Quality Assurance Partner of the programme, the student will receive an Occupational Certificate for Bookkeeper. Note that the process of issuing a Certificate might take up to three years to be finalised.

International certifications

- ▶ Year 1: Pastel and MS Excel
- ▶ Year 2: MS Word

Career fields

Students can be employed in the following career fields:

- ▶ Accounting Clerk
- ▶ Financial Administrator
- ▶ Accounting Administrator
- ▶ Credit Controller
- ▶ Financial Administration Clerk
- ▶ Payroll Administrator
- ▶ Senior Bookkeeper
- ▶ Debtors Clerk
- ▶ Creditors Clerk

What is EISA?

The External Integrated Summative Assessment (EISA) is an integral and critical component of the QCTO's quality assurance system. It is a single national assessment leading to the awarding of an Occupational Certificate. EISA ensures that the assessment of occupational qualifications, part qualifications and trades is standardised, consistent and credible.

For learners to qualify for entry to EISA, they must provide proof of completion of all required knowledge, practical and work experience modules as stipulated in the qualification. The statement of results obtained from the Skills Development Provider serves as proof that the candidate has satisfied all the requirements to be admitted to sit for EISA.
